

## FAMILY FARM DAY – LIABILITY WAIVER

### Activity/Animal Waiver

I acknowledge that horseback riding and/or pack trips, pony rides, field trips, shore fishing, wagon rides, animal feeding/petting and all other activities associated with Diamond D Ranch entail known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

I understand that the behavior and actions of any animal can be unpredictable and that in working with animals, personal injury or property damage may occur. Being aware of the risks that may be involved, I indemnify and hold harmless Diamond D Ranch, Inc. and/or their volunteers, officers and employees for any and all personal injury or property damage resulting from my participation.

### Photography Waiver

I understand that photographs, pictures, slides, movies, or videos may be taken of me and my guests in connection with my participation in farm activities, and that these pictures may be used on the Diamond D Ranch website, posted on Facebook, or other social media sites.

### Conduct and Behavior

I agree to obey all posted signs and safety rules and to alert the staff to any rules violations or dangerous behavior of co-participants. I agree to stay in areas to which I am assigned and not enter areas that will place me in undue danger. As an adult, I will supervise all minors in my party at all times. I will follow direction and keep the safety of others and the ranch in mind when I take action.

### Hand Sanitation

Interacting with farm animals is an important experience for children and adults. Being able to touch and watch the animals helps people to learn about agriculture and encourages the human-animal bond. Despite the many benefits of interacting with farm animals, people should be aware that farm animals can sometimes carry germs that make people sick. I will protect myself, my family, and the animals on the farm by remembering to wash my hands with soap and running water for at least 20 seconds after contact with farm animals. I will use hand sanitizer if soap and water are not readily available.

### Grounds

Diamond D Ranch land is in a rural area. There are all types of wildlife/vegetation on the property, some of which may be dangerous/poisonous or deadly to humans if encountered. Examples include, but are not limited to; spiders, wasps, snakes, ticks, ants, weeds, vines & plants. The terrain may be uneven in some areas & guests are advised to use caution throughout the entire trip at the ranch.

### Parties Involved

By agreeing to the terms, you release Diamond D Ranch, the owners & staff members from any liability that may occur to you or anyone in your party – Including any minors with you that day.

Please List Minors Names Below;
